ARTICLE VI Members' Net Margins

The Cooperative shall at all times be operated on a cooperative nonprofit basis for the mutual benefit of its members.

In the furnishing of electric energy this Cooperative's operations shall be so conducted that all members will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis, the Cooperative is obliged to account on a patronage basis to all its members for all costs and expenses properly chargeable against the furnishing of electric energy. All such amounts credited to the capital account of any member shall have the same status as though they had been paid to the member in cash in pursuance of the legal obligation to do so and the member has then furnished the Cooperative corresponding amounts for capital.

Capital credits of each member shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or part of such member's premises served by the Cooperative unless the Board of Directors, acting under policies of general application, shall determine otherwise.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis. The Board of Directors, at its discretion, shall have the power, at any time, to retire capital credits in accordance with provisions of the Bylaws of this Cooperative.

ARTICLE VII Board of Directors

The Board of Directors shall have the full power and authority to authorize the execution and delivery of mortgages, security agreements, or other security instruments, or otherwise pledge and encumber any or all of the property and assets of the Cooperative to include all revenues and income of the Cooperative, all upon such terms and conditions as the Board of Directors shall determine in its discretion are necessary and appropriate to secure any indebtedness of the Cooperative.

ARTICLE VIII Director Liability

of the Cooperative.

Section 3. Purchase of Electric Energy. As soon as electric energy shall become available, each Member shall:

- a. purchase from the Cooperative all electric energy purchased for use on the premises specified in the application for membership; and
- b. pay therefore at rates and under such rules and regulations which shall from time to time be fixed by the Board of Directors; and

Section 5. Suspension or Termination of Services Provided by the Cooperative. After providing a Member reasonable notice and an opportunity to comment orally or in writing, the Cooperative may suspend or terminate any services provided by the Cooperative to the Member for good cause. Without providing a Member a notice or an opportunity to comment, the Cooperative may suspend or terminate the services provided to the Member upon determining or discovering:

- a. that any equipment owned by the Cooperative used to provide any services to the Member has been tampered with, altered, interfered with, damaged, or impaired; or

- f. A Member's vote at a Members' meeting must be in-person, by mail, or by electronic means and not by proxy, except as provided above for a vote by a spouse.
- g. If mail voting is allowed by the Board of Directors, a Member may vote by mail on the ballot (a "Mailed Ballot") prescribed in this section on any motion, resolution, or amendment that is before the membership of the Cooperative, and a Member shall be allowed to vote by mail for the election of Directors and for the election of nominators.
- h. The Mailed Ballot or electronic ballot shall be in the form prescribed by the Board and shall contain:
 - (1) the exact text of the proposed motion, resolution, or amendment to be acted on at the meeting; or
 - (2) the names, district, and term length of the candidates, nominated by the Nominating Committee, for the Director and nominator position or positions to be filled; and
 - (3) spaces opposite the text of the motion, resolution, or amendment or candidate's name, in which the Member may indicate an affirmative or negative vote.
- i. The Member shall express a choice by marking an "X" in the appropriate space on the Mailed Ballot and mail or deliver the Mailed Ballot as directed by the Cooperative in a plain, sealed envelope (the "Privacy Envelope") inside another envelope (the "Return Identification Envelope") bearing the Member's name.
- j. A properly executed Mailed Ballot received on or before the day preceding the Members' meeting shall be accepted by the Board of Directors and counted as the vote of the Member.
- k. A Member who is other than a natural person must designate a natural person to represent it by giving the Cooperative a written notice at or before the Member meeting, which shows that the named representative has been authorized by the managing board of such Member to represent it at the meeting of this Cooperative, or if an individual brings the "Voter Registration Card" to the Member meeting then it is presumed that said non-natural Member has duly authorized said individual to represent it at said meeting and to vote on its behalf on all matters to be voted upon at said meeting. An individual may represent no more than one such Member, but may also vote as an individual if the person is a Member individually.
- l. Unless otherwise provided by law, the Articles of Incorporation or these Bylaws, a majority

of the Member votes cast shall determine the passage of any motion, resolution, or amendment submitted to the membership.

Section 9. Member Grants of Property Rights. As required by the Cooperative for the purpose of providing electric service or providing any other service by the Cooperative or a subsidiary of the Cooperative, each Member shall execute and deliver to the Cooperative grants of an easement of right-of-way on or over such lands owned by the Member, in accordance with such reasonable terms and conditions as the Cooperative shall require.

Section 10. Removal of Directors. The Members shall have the power to remove any Director for cause. Any Member may bring charges against a Director by filing such charges in writing with the Secretary, together with a petition signed by ten percent (10%) of the Members of the Cooperative, requesting the removal of the Director in question. The charges shall specify the basis for the Director's removal. Each page of the petition that has signatures of any Member(s) shall include the basis for the Director's removal. The removal shall be voted upon at the next annual or special meeting of the Members and any vacancy created by such removal may be filled by the Members at such meeting. Any removal and filling of a vacancy shall require a majority vote of the membership represented by either ballots submitted in person, by mail, and/or by electronic ballot. The Director against whom such charges have been brought shall be informed in writing of the charges prior to the meeting and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence; and the person or persons bringing the charges against the Director shall have the same opportunity.

Section 11. Arbitration. Any and all disputes, claims or controversies ("disputes") arising from or related in any way to the Cooperative's providing of electricity or other services, or in its furnishing of any goods, or in the conduct of its operations, other than disputes or claims relating to the payment for electrical energy and/or other services provided by the Cooperative, that are not resolved by agreement of the parties, shall, at the request of either party, be resolved by binding arbitration. If the arbitration involves a sum in excess of \$100,000.00, there shall be three (3) arbitrators, one (1) picked by each party and a third selected by the two (2) arbitrators selected by the parties. In the event the dispute involves less than \$100,000.00, there shall be one (1) arbitrator. If the parties cannot agree on an arbitrator, the determination shall be made by the Minnesota District Court in Nobles County, Minnesota. The arbitration shall take place in Nobles County, Minnesota, or at any other place as agreed by the parties, under and pursuant to The Uniform Arbitration Act in Minnesota Statutes, Chapter 572B, or any successor provisions. The determination of any dispute in arbitration shall be governed by the laws of the State of Minnesota, including, but not limited to, the Frye-Mack Standard, and not the Daubert Standard, with respect to expert testimony. The cost of the arbitrators and filing fees shall be shared equally by the parties.

All disputes between the parties must be arbitrated individually, and not through a Class Action.

Based on the membership enacting this binding arbitration provision as a means of dispute resolution, each Member of the Cooperative, by virtue of membership, agrees to arbitrate any and all disputes according to the Bylaws, and the regulations, procedures, and policies established from time to time by the Board of Directors, and further agrees to abide by and perform any awards made hereunder. This agreement to arbitrate disputes shall survive any withdrawal from or termination of a Member's membership in the Cooperative.

The presence of a sufficient number of Members to constitute a quorum at any annual or special meeting shall be verified by the President and Secretary and shall be reported in the minutes of the meeting. If an insufficient number of Members are represented to constitute a quorum, a majority of the Members present may adjourn the meeting without further notice; provided a new notice is mailed or published as required by law specifying the date, hour, manner, method, and location (whether in-person, virtual, teleconference, or through a different format) of the adjourned meeting.

Section 8. **Voting.** At all meetings of the Members at which a quorum is present, all questions shall be decided by a vote as provided in Article I, Section 8 by a majority of the Members voting thereon at such meeting who have voted by mail, electronically, or in person, except as otherwise provided by law, the Articles of Incorporation of the Cooperative, or these Bylaws.

A Member who claims that a ballot was not received by such Member, or that the ballot received by such Member was thereafter lost, damaged, or destroyed, shall not be entitled to a replacement ballot. The nominee for each Director position and the nominee for each nominator position who receives a majority of the votes cast at said annual meeting shall then and there be elected to the office of Director or to the position of nominator. In the case of a tie vote, the winner shall be determined by a flip of a coin.
- g. **Terms.** Directors and nominators shall be elected for regular terms of three (3) years each and shall serve until their respective successors have been duly elected and qualified. There shall be no term limits for Directors or nominators.

Section 2. **Director Vacancies.** Subject to the provisions of these Bylaws with respect to the removal and replacement of a Director by the Members:

- b. If a Director becomes incapacitated, which shall be determined to a reasonable medical certainty, the remaining Directors may declare that vacancy exists and appoint a Director

who shall serve until the next annual Members' meeting or election date, or until a successor has been elected or qualified;

- c. If a Director is absent without cause from twenty-five percent (25%) or more regular board meetings within any one (1) year period, the remaining Directors may declare that a vacancy exists and appoint a Director who shall serve until the next annual Members' meeting or election date, or until a successor has been elected and qualified;
- d. Any Director applying for employment at the Cooperative is required to submit a letter of resignation from the Board of Directors with their employment application; and the remaining Directors shall declare the position vacant and shall appoint a successor to hold office until the next annual Members' meeting or election date, or until a successor shall have been elected and qualified; and
- e. After the Board of Directors determines that a Director or a nominee for Director lacks eligibility under the provisions of these Bylaws, it shall be the duty of the Board to promptly make a disqualification, or if the Board of Directors determines that any person being considered for or already holding a directorship lacks eligibility, it shall be the duty of the Board to withhold the position from such person or to cause a Director to be removed therefrom, as the case may be, and to fill the vacancy is provided in subdivision (a) of this section.

Section 3. **Meetings of Directors.**

- a. **Regular Meetings.** Regular meetings of the Board of Directors shall be held in the manner, method, location (whether in-person, virtual, teleconference, or through a different format), and at such time as the Board of Directors may determine and upon such notice as the Board of Directors may prescribe which notice shall state the manner, method, location (whether in-person, virtual, teleconference, or through a different format), and at such time of said meeting.
- b. **Special Meetings.** Special meetings of the Board of Directors may be called by the President or any three (3) Directors. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage prepaid thereon.
- d. **Attendance of Meeting.** The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except in case a Director shall attend a meeting for the express purpose of objecting to the transaction or any business because the meeting shall not have been lawfully called or convened.
- e. **Quorum.** A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, provided that, if less than a majority of the Directors are present at said meeting, a majority of the Directors present may adjourn the meeting from time to time, provided further that a new notice is given to the Directors specifying the manner, method, location (whether in-person, virtual, teleconference, or through a different format), and at such time of such adjourned meeting.
- f. **Manner of Acting.** The acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors.
- g. **Participation in Meetings by Means of Remote Communication at the Discretion of**

the Board of Directors. As allowed and authorized by the Board of Directors, a Director or Directors may participate in a board meeting by means of conference call or by such other means of remote communication, in each case through which the Director and other Directors so participating may communicate with each other during the meeting. Participation in a meeting by that means constitutes presence at the meeting.

Section 4. **Compensation.** Directors shall receive reasonable compensation for service to the Cooperative as determined by resolution of the Board of Directors.

Section 5. **Accounting System and Reports.** The Board of Directors shall cause to be established and maintained a complete accounting system which, among other things, complies with applicable laws, rules, and regulations of any regulatory body. The Board of Directors shall also cause to be made a full and complete audit of the accounts, books, and financial condition of the Cooperative as of the end of each fiscal year. Such audit reports shall be available to the Members for inspection.

Section 6. **Borrowings.** The Board of Directors shall have power, which may be exercised only by a vote of a majority of all of the Directors, to authorize and approve the borrowing of money and the pledging and mortgaging of any or all of the assets of this Cooperative as security for the sums so borrowed.

Section 7. **Corporate Seal.** The Board of Directors may adopt, alter, or abandon the use of a corporate seal.

Section 8. **Executive Committee.** The Board of Directors may appoint an Executive Committee of not less than three (3) Directors, one of whom shall be the President. Such committee shall not have any authority either:

- b. to employ or discharge any Chief Executive Officer (CEO)/General Manager for this Cooperative, or
- c. to call any meeting of the Members, or

Section 9. **Indemnification.** The Cooperative shall indemnify Directors, officers, agents, committee members, nominating committee members, and employees against liability to the extent that their acts or omission constituting the grounds for the alleged liability were performed in their official capacity, were based upon what a reasonable person would deem to be good faith business judgments, and a belief that the acts or omission were in the best interest of the Cooperative. The Cooperative may purchase insurance to cover such indemnification.

Section 10. **Limitations on Former Director Becoming Employed by the Cooperative.** No Director shall be eligible to be employed by the Cooperative, either on a part-time or a full-time basis, or as an independent contractor, consultant, or in any other such similar contractual arrangement until at least three (3) years have expired since the last date said person was a Director of the Cooperative.

ARTICLE V

Cooperative Operation

Section 1. **Nonprofit and Cooperative Operation.** The Cooperative: (a.) shall operate on a non-profit and cooperative basis for the benefit of all Members and (b.) may not pay interest or dividends on capital furnished by Members.

Section 2. **Allocating Capital Credits.** The Cooperative shall allocate capital credits as provided in this Bylaw.

- a. **Patron.** The term "Patron" means, during a fiscal year: (1) a Member and (2) any other person or entity receiving and paying for electric service to whom the Cooperative is obligated to allocate capital credits.
- b. **Allocated Earnings.** For electric service provided during a fiscal year, the Cooperative shall equitably allocate to each Patron, in proportion to the net amount of electric service provided to a Patron during the fiscal year, the Cooperative's operating earnings from providing electric service or other services/products provided by the Cooperative during the fiscal year. Operating earnings means the amount by which the Cooperative's operating revenues from providing electric service or other services/products provided by the Cooperative exceed the Cooperative's operating expenses of providing electric service or other services provided by the Cooperative, all as determined under federal cooperative tax law.
- c. **Non-Operating Earnings.** For each fiscal year, the Cooperative may, as determined by the Board in its sole discretion, use, retain, or equitably allocate all or a portion of the Cooperative's non-operating earnings.

- d. **Capital Credits.** For each amount allocated to a Patron, the Patron shall contribute a corresponding amount to the Cooperative as capital. The Cooperative must allocate all capital contributions from a Patron to a capital account for the Patron. The Cooperative shall maintain books and records reflecting the capital contributed by each Patron. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the Patron in cash pursuant to a pre-existing legal obligation and the Patron contributed the corresponding amount to the Cooperative as capital. Consistent with this Bylaw, the allocation of capital credits is in the discretion of the Board and the Board must determine the manner, method, and timing of allocating capital credits. The Cooperative may use or invest unretired capital credits as determined by the Board. To secure a Patron's obligation to pay amounts owed to the Cooperative, including any interest, penalties, and late payment fees, and in return for the Cooperative providing electric service or other services/products provided by the Cooperative to the Patron, the Cooperative has a security interest in the capital credits allocated to the Patron. The Patron authorizes the Cooperative to perfect this security interest by filing a financing statement.
- e. **Different and Separate Allocations.** As reasonable and fair, the Cooperative may allocate capital credits to classes of similarly situated Patrons under different manners, methods, and timing, providing the Cooperative allocates capital credits to similarly situated Patrons under the same manner, method, and timing. If the Cooperative is a member, Patron, or owner of an entity from which the Cooperative uses a good or services in providing electric service or other services/products provided by the Cooperative and from which the Cooperative is allocated a capital credit, patronage, or similar amount, then, as determined by the Board in its sole discretion and consistent with this Bylaw, the Cooperative may separately identify and allocate to the Cooperative's Patrons this capital credit or similar amount allocated by the entity or may include such capital credit, patronage, or similar amount allocated by the entity as non-operating earnings.
- f. **Joint Memberships.** Upon receiving written notice and sufficient proof of the termination, conversion, or alteration of a joint membership: (1) through the death of a joint Member, the Cooperative shall assign and transfer to each the decedent Member and the surviving joint Member(s) an equal portion of the capital credits allocated, or to be allocated, to the joint membership or (2) other than through the death of a joint Member, and upon written and signed application by all the joint Members, the Cooperative shall assign and transfer to each joint Member an equal portion of the capital credits allocated, or to be allocated, to the joint membership.

Section 3. **Notification and Assignment of Capital Credits.** Within a reasonable time after the end of each fiscal year, the Cooperative may notify each Patron of the stated dollar amount of the capital credits allocated to the Patron for the preceding fiscal year. Except as otherwise provided by the Board or these Bylaws, to assign or transfer a Patron's capital credits: (a.) the Cooperative must receive a written or electronic request signed by all of the Patrons to assign or transfer the capital credits; (b.) the Patron and the assignee or transferee must comply with all reasonable requirements specified by the Cooperative; and (c.) the Board must approve of the assignment or transfer. Consent to assignment may be granted or withheld at the Board's sole discretion.

Section 4. **Retiring Capital Credits.** The Cooperative may retire and pay capital credits allocated to Patrons and former Patrons as provided in this Bylaw.

- a. **General Capital Credit Retirements.** At any time before the Cooperative's dissolution, liquidation, or other cessation of existence, the Cooperative may generally retire and pay some or all capital credits allocated to Patrons and former Patrons.

- b. **Special Capital Credit Retirements.** The Cooperative may specially retire and pay some or all capital credits allocated to a Patron or former Patron: (1) after the death of the Patron; (2) after receiving a written or electronic request from the deceased Patron's legal representative; and (3) according to the terms and conditions agreed upon by the Cooperative and the deceased Patron's legal representative. The Cooperative may not specially retire and pay capital credits allocated to an entity whether or not during or after the entity's dissolution, liquidation, or other cessation of existence. The Cooperative is not required to retire and pay capital credits allocated to a Member from any entity in which the Cooperative is or was a Member, Patron, or owner, if such entity has not required and paid such allocated capital credits to the Cooperative.
- c. **Right to Offset, Setoff and/or Recoupment.** Regardless of any statute of limitation or other time limitation, upon retirement of capital credits, the Cooperative may recoup, offset, or setoff any amount owed to the Cooperative by the Member or former Member, including any interest, penalties, and late payment fees, by reducing the allocated amount of retired capital credits paid to the Member or former Member by the amount owed to the Cooperative.
- d. **Capital Credit Retirement Discretion.** The Cooperative may retire and pay capital credits only if the Board determines that the retirement and payment will not adversely impact the Cooperative's financial condition. The retirement and payment of capital credits are in the sole discretion of the Board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying capital credits shall be determined only by the Board.
- e. **Different and Separate Capital Credit Retirements.** As reasonable and fair, the Cooperative may retire and pay capital credits to classes of similarly situated Patrons and former Patrons under different manners, methods, and timing, provided the Cooperative retires and pays capital credits to similarly situated Patrons and former Patrons under the same manner, method, and timing. If the Cooperative separately identified and allocated capital credits representing capital credits, patronage, or similar amounts allocated to the Cooperative by an entity in which the Cooperative is or was a Member, Patron, or owner, then the Cooperative may retire and pay these capital credits only after the entity retires and pays the capital credits, patronage, or similar amounts to the Cooperative.

Section 5. **Patron Agreement.** Each Patron and former Patron agrees that:

- a. Capital credits are not securities under state or federal law;
- b. The Patron's right to capital credits vests, accrues, becomes redeemable and becomes payable only upon the Cooperative retiring the capital credits as provided in these Bylaws, and not upon the Cooperative allocating the capital credits; and
- c. As required by law, each Patron will (1) report to the appropriate entity all allocated or retired capital credits and (2) pay the appropriate entity any tax or similar amount on allocated or retired capital credits.

Section 6. **Reasonable Reserves.** Regardless of a contrary Bylaw, and to meet the Cooperative's reasonable needs, the Cooperative may accumulate and retain amounts exceeding those needed to meet current losses and expenses. The Cooperative must keep records necessary to determine, at any time, each Member's rights and interest in the accumulated and retained amounts exceeding those needed to meet current losses and expenses.

Section 7. **Patronage Refunds in Connection with Furnishing Other Services.** In the event that the Cooperative should engage in the business of furnishing goods or services other than electric energy, all amounts received and receivable therefrom which are in excess of costs and

expenses properly chargeable against the furnishing of such goods or services shall, insofar as permitted by law, be considered non-operating margins, and treated as shown in Section 8.

Section 8. Non-operating Margins. At the discretion of the Board of Directors, funds and amounts, other than operating margins, received by the Cooperative that exceed the Cooperative's costs and expenses may be:

- a. allocated as capital credits to Patrons in the same manner as the Cooperative allocates capital credits to Members; and/or
- b. used by the Cooperative as permanent, non-allocated capital.

ARTICLE VI Miscellaneous

Section 1. Electronic Documents and Actions. If a Member or Director has reasonable access to the applicable or necessary hardware and software, then, regardless of a contrary Bylaw, as determined by the Board, and as allowed by law:

Except as otherwise provided in these Bylaws, an Electronic Document sent or transmitted to a Member or a Director or former Member at the Member or Director or former Member's last known Electronic address is considered sent, received, transmitted, and effective on the date sent by the Cooperative. An Electronic Document received or transmitted from a Member or Director or former Member is considered sent, received, transmitted, and effective on the date received by the Cooperative.

As used in these Bylaws, subject to the context requiring otherwise, and as determined by the Board:

- e. "Electronic" and "Electronically" means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities;

ARTICLE VIII Articles and Bylaws Provisions are a Contract

The Members of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract

between the Cooperative and each Member, and both the Cooperative and the Member are bound by such contract, as fully as though each Member had individually signed a separate instrument containing such terms and provisions.
